GREETINGS

From Our President

To the Officers and Brothers:

USTINGRADER UNTERSTITZUNG VEREIN

At the occasion of our 25th Anniversary, I wish to offer my heartiest and most sincere congratulations upon the reaching of this great milestone of our existence. Twenty-five years ago we were but a small group of landslite aspiring to grow larger and to fulfill the purpose for which we were organized.

Although this group has grown considerably, we are even more ambitious to forge ahead as we now have to our credit 25 years of varied experiences which has through united effort bound us together to still further the purposes and obligations of our organization.

So let us now, Officers and Brothers, as we set forth together to reach other anniversaries, work in unison so that our organization can grow still stronger and still greater; and in years to come we can look upon our 25th Anniversary as the starting point of our greater success.

ISIDOR ROSENBERG,
President.
