Humboldt Orthodox Center Synagogue

A SYNAGOGUE—BETH MIDRASH

The Humboldt Orthodox Center is an Orthodox Synagogue where traditional services are held daily, morning and evening. In the nine years of its existence, our Synagogue has served hundreds of non-members of this and other neighborhoods.

AN EDUCATIONAL INSTITUTION

The Humboldt Orthodox Center is the only Orthodox Congregation in Buffalo that conducts its own Hebrew and Sunday Schools. Hundreds of children, members and non-members, have been receiving an intensive Hebrew and religious education. Hebrew, in our School, is a fluent and living language.

A SOCIAL AND RECREATIONAL CENTER

Orthodoxy tends not only the spirit but also the physical activities of its adherents. We have a Center where hundreds of men, women and children of all ages (5 and up) meet daily for social and recreational purposes.

CHILDREN'S GROUPS: Afternoon Extension program conducted and supervised by the Buffalo Jewish Center; Bar Mitzvah Sabbath Group; Girl and Boy Scouts; Young Judeans; A Cub Pack.

YOUNG ISRAEL: We extend a hearty welcome to the young people who participate in the Young Israel activities which are now held in our Center.

ADULTS: Several social and Zionist men's and women's clubs and organizations.

Thus the Humboldt Orthodox Center serves the three purposes of the Synagogue of old:

1. A House of Worship.
2. A House for Education.
3. A House for Social and Public Assemblies.

Rabbi's Message

To all our members, patrons and friends, I extend a sincere Yeyasher Ko'ach for having helped us make this annual affair a successful one. I know that because of your kindly and friendly support this annual social event will be a financial as well as a moral success.

Our Synagogue, dedicated to traditional Jewish teachings, has served in the past hundreds of families, members and non-members. Its schools have given religious Hebrew education to the children of the neighborhood. The Center has accommodated many a Jewish organization with meeting space.

We pray that we may be able to continue to serve our members, friends and the entire Jewish community with all our facilities.

My personal blessings for happiness and peace to my people and to all mankind.

RABBI GEDALIAH KAPROW.

Chairman's Message

Dear Fellow Jews:

It was indeed a pleasure to have acted as the general chairman of this Annual Ball. I felt that, because of its varied activities for young and old, this institution deserved the liberal support of every religious Jew in this community.

May I take this means to thank every member of my committee for having given me the splendid co-operation which helped make this affair successful.

I also wish to thank all the supporters and contributors to this worthy cause. It certainly is a great Mitzvah.

Yours sincerely,

MAURICE YELLEN, *Chairman*
Ball Committee.

The President's Message

I wish to take this opportunity to express my happiness and gratitude to our many friends for their hard work and devotion to our worthy cause.

I also wish to thank my many co-workers, who gave so generously of their personal free time, and time from their business to work so diligently for our Synagogue. This work has not been in vain, but has rewarded us all by making our Synagogue a leading spiritual institution in the realm of Orthodoxy in Buffalo.

My grateful thanks to our many friends and donors for their kind help in making our Ball a social and financial success.

And my special and sincere thanks and best wishes to Mr. Maurice Yellen, Chairman, and Mr. Leo Rabinowitz, co-chairman of this 2nd Annual Ball, and to all of their co-workers for their hard work in this undertaking.

JOSEPH SNITZER,
President.
