Building For The Future

TEMPLE BETH DAVID. NER ISRAEL

Temple Beth David · Ner Israel is a union of two congregations whose pasts reach deeply into the early life of the Jewish community of Buffalo. Each brought to the other over thirty-five years of progressive development, experience and service dedicated to the advancement of Judaism. The new sanctuary portrayed in this brochure is the culmination of a united effort to continue in this glorious tradition of building, and expanding the sweep of effective service within the Jewish community.
