Dear Elizabeth

you really did a lot of research & writing to me & for me. I am most grateful!

I would like to have inscribed on the "In Memory" scroll the names of my mother & my mother-in-law, two lovely mothers who gave me so much love.

In memory of "TILLIE" ALTMAN ELPERT
and FANNY HABER BALLOTIN

I am proud to be part of an organization so dedicated that they were able to pay their \$100,000.00 pledge in less than 10 years. That sum represents over \$11,000 raised per year by the hard working ladies. I know how hard they work for Rosa Coplow! Everyone is to be congratulated.

I would enjoy hearing from you whenever you have the time for a note - Fondly - Bern (over)
